### Location Description

Benchmark is located at the War Memorial along Wesley Road. The benchmark is located between the Memorial and the storm water detention pond behind the Memorial. The benchmark is a 3 inch brass cap set in a 12 inch concrete cylinder. The benchmark is set flush with the ground and is located approximately 21 feet south of the back bench at the Memorial and 44 feet north of the rock rip rap of the detention pond. The sketch below shows the general location of the benchmark.
