

# Want help paying for Medic Class?

In honor of her compassion and dedication to EMS, we are pleased to announce the availability of the Michelle Heap Memorial Scholarship. The scholarship will serve as a continued effort to help future Paramedics in providing the same level of care and professionalism as those that have served before them.

The Michelle Heap Memorial Scholarship Fund has been established to assist students with tuition while attending the Paramedic Program at SWIC in Belleville. The program is funded by memorial contributions and Metro East Paramedics Association (MEPA).
