**Location Description**

Benchmark is located at the Seven Hills Tank along North Seven Hills Road. The benchmark is located just south of the entrance to the Seven Hills Tank. The benchmark is a 3 inch brass cap set in a 12 inch concrete cylinder. The benchmark is set flush with the ground and is located approximately 28 feet south of the entrance road to the tank and 44 feet east of the edge of North Seven Hills Road. The sketch below shows the general location of the benchmark.
