MINUTES
COMMUNITY DEVELOPMENT COMMITTEE
6:00 PM Monday, October 10, 2016

Minutes of a regular meeting of the Community Development Committee of the City of O'Fallon, held at the Public Safety Building, 285 N. Seven Hills Road, O'Fallon, Illinois.

CALL TO ORDER: 6:00 PM

- I) **Roll Call** – *Committee members:* Jerry Albrecht, Gene McCoskey, David Cozad, Harlan Gerrish and Ray Holden. *Other Elected Officials Present:* Herb Roach, Robert Kueker, Ned Drolet, Matt Smallhear, Kevin Hagerty, Richie Meile and Matt Gilreath. *Staff:* Walter Denton, Pam Funk, Grant Litteken, James Cavins, Sandy Evans and Justin Randall. *Visitors:* Charlie Pitts, Jennifer Goetz, Rich Jones, Steve Macaluso, Mike Rathgeb, and Vern Malare.
- II) **Approval of Minutes from Previous Meeting** – All ayes. Motion carried.
- III) **Items Requiring Council Action**
 - A. SEPA – 1250 N. Lincoln Avenue – Pumpkin Patch (Motion) – Justin Randall presented the committee with information on the pumpkin patch currently in operation and continuing until October 31st. Randall indicated this event has occurred for a number of years but this was the first time they had submitted an application. The committee discussed the special event and recommended the special event with a 5-0 vote.
 - B. Minor Subdivision – Frieze Harley Davidson (Resolution) – Justin Randall presented the committee with the proposed minor subdivision for the property for the back portion of the tract owned by Frieze Harley Davidson. Randall indicated the property is zoned B-1(P) and any future development would require a planned use. The committee discussed the minor subdivision and recommended the lot split with a 5-0 vote.
 - C. Minor Subdivision – Ridge Prairie Heights – Lot 89 (Resolution) – Justin Randall presented the committee with the proposed minor subdivision for the property at 121 Central Drive. Randall indicated the property owner would like to subdivide the lot to construct an additional single-family residence. Randall indicated that the both lots would meet the zoning / area/ bulk regulation of the SR-2 District. The committee discussed the minor subdivision and recommended the lot split with a 5-0 vote.
 - D. BP Gas Station – Planned Use (1st Reading) – Justin Randall presented the committee with an overview of the proposed planned use for the redevelopment of the BP Gas Station at 720 South Lincoln Avenue. Randall indicated the plan was to replace the existing 960 square foot c-store with a 4,100 square foot c-store. Randall indicated the building would help buffer the residences from light, noise and trash. The committee discussed the proposed planned use and recommended the project for approval with a vote of 5-0.
 - E. Augusta Greens & The Enclave at Augusta Greens – Planned Use (1st Reading) & Preliminary Plat (Resolution) – Justin Randall presented the committee with an overview of the proposed subdivision and the unique characteristics of the project that required a planned use for The Enclaves portion of the development. Randall indicated the planned use for The Enclave would

be on for first reading on October 17th, but the resolutions for the preliminary plats would not be sent for approval to the City Council until November 7th. The committee discussed the proposed subdivision and recommended the project for approval with a vote of 5-0.

MEMORANDUM

To: Community Development Committee
From: Walter Denton, City Administrator
Date: October 24, 2016
Subject: Economic Development Update

With the construction of the St. Elizabeth's Medical Campus, O'Fallon is on the cusp of a new era of growth and expansion. The City Council embraced that reality in 2013 when it developed the Strategic Plan. The hospital is scheduled to open in November 2017, so the future is happening now. The following is an update of the City's economic development activities to prepare for this next phase of O'Fallon's history.

The 2013 Strategic Plan includes economic development as a top priority for the future of O'Fallon. In particular, the Plan describes two essential elements of economic development: business recruitment and destination development. Business recruitment includes marketing and incentives for new businesses to locate in O'Fallon along the Green Mount Corridor, Rieder Road Corridor, and Downtown area. Destination development includes capital investment in infrastructure (road projects and gateways) and attractions (parks, conference centers, downtown development) that will bring additional visitors and businesses to O'Fallon.

Immediately following the approval of the Strategic Plan, staff developed a comprehensive Economic Development Profile that was distributed to businesses, developers and commercial real estate brokers. The Profile proved to very successful and we have received compliments on its thoroughness and usefulness to attract businesses.

The Downtown Plan was completed 2015 and included in-depth research and recommendations to capitalize on the recent resurgence in the downtown area. Among the recommendations were to attract more upscale restaurants and shops, improve way-finding to lead people downtown, and a new public space for

more and better Downtown festivals and events. A Downtown Advisory Group was formed to advise staff on the implementation of the plan and a design firm was hired to provide concept plans for a downtown plaza and coordinated way-finding.

In addition, the City Council approved a TIF District for the Downtown Area/Lincoln Corridor and sold the old City Hall for commercial redevelopment. Finally, staff is finalizing the details of a façade improvement program and an RFP has been issued for commercial redevelopment at the former EMS lot (131 E. First Street).

Independently of the Downtown Redevelopment initiative, we received a proposal from a Kansas City-area developer to expand the Family Sports Park into a national sports hub. The plan included building all-weather fields to attract regional and national sports tournaments for soccer, lacrosse, and other sports that would generate thousands of additional visitors to O'Fallon each year and expand the local economy. A feasibility study was initiated to evaluate a public-private partnership for the project.

An economic impact study was conducted to determine how the local economy benefits from O'Fallon parks. Visitors spend \$1.6 million each year for tournaments and park events and parks generate \$5.1 million in economic impact to the O'Fallon economy per year.

At the same time, we were involved in the NGA relocation effort. While it seemed obvious to us that Scott Air Force Base was a natural fit for the NGA headquarters, the St. Louis-based media characterized the Metro East as nothing but cornfields and no place a high-tech workforce would want to go. From that experience, it became painfully clear that the Metro East (and O'Fallon by extension) has an image problem. We know O'Fallon is a premier community and we have a good reputation around the Metro East, but we obviously need to penetrate that image into the greater metro area to recruit more visitors and St. Louis-based businesses to locate in O'Fallon.

Staff began working with the Fource Group about how to promote O'Fallon for greater economic development. The Fource Group is an O'Fallon-based business with expertise in communications and social media. Their first project was to prepare communications and graphics for a *St. Louis Business Journal* feature article on Metro East Economic Development. In addition, the Fource Group conducted market research and interviews with O'Fallon businesspeople to develop recommendations for a comprehensive economic development strategy.

The October 24 Community Development Committee meeting will include a presentation on the results of the Fource Group's market research and reports on the Downtown concept plan and the Family Sports Park Feasibility Study.
