Monthly Newsletter – April 2024

**FLOODING? BE SAFE!**

**Turn Around Don't Drown**

www.weather.gov/tulsa @NWStulsa

**6" of water will reach the bottom of most passenger cars causing loss of control and possible stalling.**

**1' of water will float many vehicles.**

**2' of rushing water can carry away most vehicles including SUV's and pick-ups.**

Road beds may be washed out under flood waters. **NEVER drive through flooded roadways.**

Do not walk through moving water. **6" of moving water can make you fall.**

Do not allow kids to play in or near culverts and ditches.

# O'FALLON EMS

Paramedic Ryan Young was awarded the Unsung Hero Award by Public Works Jason H. Paramedic Young was recognized for teaching the CPR and First Aid class earlier this year, providing the public works department with vital information and skills needed during a possible emergency. Young oversees our EMS division's community CPR program and frequently instructs other departments throughout the city. Congratulations Ryan Young!!

Pictured above is OEMS A Crew training on airway management and intubation using the SALAD technique. By using the SALAD technique, our providers enhance patient outcomes while adopting to new evidence based strategies. Using the SALAD technique helps mitigate complications with obscured vision during intubation as well as assuring correct tube placement. As seen above the crew is practicing SALAD intubation with our new UE scopes. Having the UE scopes on our units helps our medics provide the highest level of care to our community and it's visitors. Advanced airway management is one of the most critical life-saving skills as a paramedic can perform. Evidence shows video laryngoscopes greatly improve first chance success rate for airway placement.

***Don't miss this opportunity to help! We are looking for individuals who want to promote their business by sponsoring the golf tournament. 100% of the proceeds go directly to the fire department. We offer several options to help advertise. First option is a hole sponsor. We offer 3 levels: Chief \$500, Deputy Chief \$250 or Asst Chief \$100.***

***Each sponsor will have a sign on one of the holes at the tee box. Second option is donating a gift basket or prize for our raffle the day of the tournament. Last option is donating items for our goodie bags that each golfer gets at the start of the tournament. We will have 144 golfers, so we would need 1 for each golfer.***

***Suggestions below for types of items needed for goodie bags.***
